

Directions to Villa Provence from Sydney

Take the F3, and follow the signs to Cessnock.

When you come in to Cessnock, turn RIGHT at the first light, this will put you onto Vincent St, the main street. Go to the end of Vincent St. (about 3 intersections) to a 'T' intersection; veer left at the light, getting into the right hand lane immediately!

You will now be at another traffic light. Turn right at this light into Wine Country Drive (was Allandale Road). Follow Wine Country Drive for about 5-6 kilometers past the 'Information Centre'.

You will cross a small bridge, and travel another 500 meters until you come to BROKE Rd. on your left. Turn left onto Broke Rd. Follow Broke Rd for a couple of kilometers until you come to a 'T' intersection with McDonalds Rd.

Turn right at McDonalds Rd. and travel for about a kilometer, and turn left into Gillards Road. After about 1 km you will see an entrance to Honeytree Wines on your right. Take that road, and drive (slowly!) past Honeytree into beautiful Villa Provence.
